

NEW RELEASE! FROM REAL FLAME

1800 Fire Box

Gas Fireplace

Real Flame have just released the impressive new 1800mm wide Gas Fire. It is the widest fire box on the market in Australia and is exclusive to Real Flame. Visit one of our showrooms to experience the 1800 for yourself, or call us to arrange for one of our team to come to you.

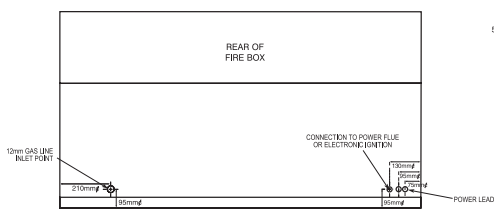

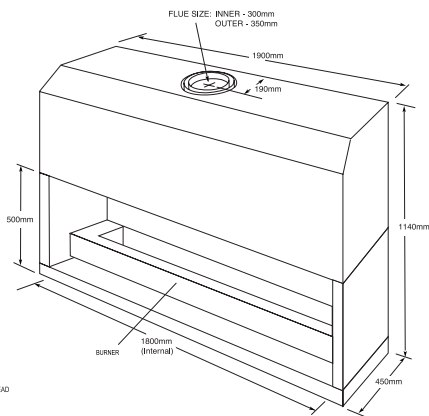

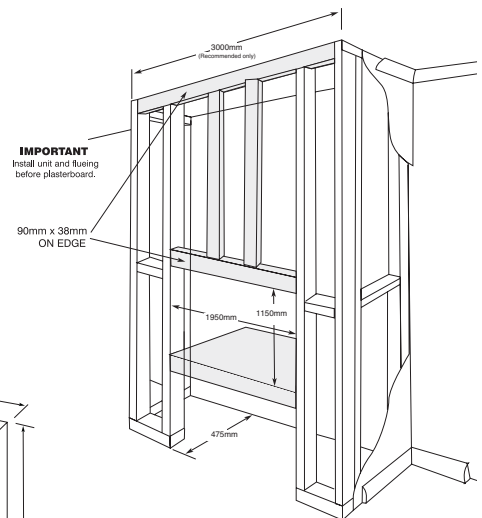

1800 Fire Box

The Simplicity and Pure Vision Fires are now available in an impressive 1800mm wide fire box. The 1800 is the widest fire box on the Australian market and is available now exclusively through Real Flame. This unique fire creates an ambiance which is unrivalled by smaller fires and needs to be seen to be appreciated.

The pebble fire springs to life with the flick of a switch, creating a colourful soft pink & mauve flame dancing over a bed of spun ceramic fibre pebbles and stones. The 1800mm fire box has a 1400mm burner and is available in Natural Draught or Power Flue configuration where horizontal fluing is required.

Experience Relaxation with an 1800 Simplicity or Pure Vision Fire from Real Flame.

The above specifications relate to the Simplicity Fire. For detailed specifications visit www.realflame.com.au

Warranty: Your Real Flame gas firebox is unconditionally guaranteed for a period of 10 years, all other parts are guaranteed for 12 months from date of purchase. **Note:** This is a decorative appliance.
