## THE MOST EFFICIENT PANORAMIC FIRE

Our Landscape fireplaces feature a range of stylish finishes including 50mm trims or optional 6mm profile trims for a frameless look and a full width glass viewing area to maximise the brilliant flame pattern's impact. A stunning centrepiece for your room, the Landscape also creates a cosy environment. The Landscape looks great and impresses with its high energy efficiency star rating. With a full remote as standard, you have complete control over the room's temperature.

Balanced flue

New Application

Natural gas or LPG

Up to 4 star efficiency

Full remote control function

Double glazed space heater,

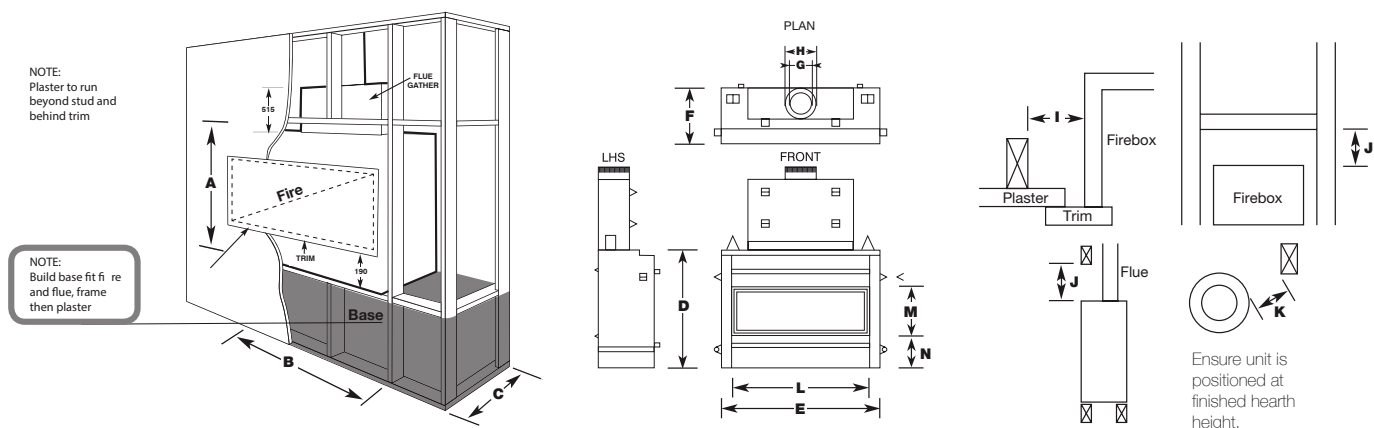

1000 heats up to 110m<sup>2</sup> and 1600 heats up to 130m<sup>2</sup>
